

10:48:15 From Sally Murray To Joanne Banko(privately) : I will watch the video later as I have another meeting to attend. Sorry. Thanks for hosting the meeting!!

10:48:33 From Joanne Banko To Sally Murray(privately) : Okay Sally!

10:51:35 From Sandee Ellis : Where is the download that Been is talking about?

10:55:01 From Jaye West : Had trouble getting into meeding Good Morning

10:55:06 From Laurel Moslener : Reen, can you use 60 wt embroidery thread?

10:57:48 From Lisa Walko : Love the towels.

10:58:42 From Joanne Banko To Jaye West(privately) : Sorry Jaye, It was an issue on my end this morning. Glad you are here!

10:58:47 From Jaye West : Very nice

10:59:16 From Lisa Walko : Where can you get 90 wt thread that is not pre-wound? I have a Bernina 880 and cannot use pre-wounds.

10:59:22 From Laurel Moslener : Love Kingstar. So many fabulous colors

11:00:20 From Joanne Banko : RE 90 weight thread, Brother has it on a spool, if yo have a Brother dealer nearby.

11:00:35 From Joanne Banko : I'll ask Reen when she pauses.

11:01:54 From Dawn Mitchell : Back of towel looks amazing! No stabilizer! Wow!

11:03:46 From Rebecca Arnold : The spools are on Amazon.

11:04:29 From Lisa Walko : I have that. Thank you.

11:04:34 From Lisa Walko : I will check now

11:04:38 From Laurie Albrecht : Wonderfil has 90 wt

11:05:20 From Caroline Booth's iPad : I just received a kit of fine line thread from DIME. It says it is 60wt

11:05:22 From Lisa Walko : 60 wt

11:06:49 From Barbara Murphy : Quilters select has 90 wt

11:06:58 From Laurel Moslener : Fil-tech bobbin thread cone in white 90 wt. thread is available from allstitch.com

11:08:18 From Lisa Walko : You might be answering this later, but how would you save the WSS once you have the hole from the previous design?

11:09:08 From Lisa Walko : yes

11:09:44 From Lisa Walko : Thank you.

11:11:17 From Rebecca Arnold : Good idea about doing the satin stitch last.

11:14:07 From June Olberding : I played last night and made a coaster!

11:14:57 From June Olberding : I used batilizer too!

11:15:12 From Vicky Luttrell : I love Battilizer!

11:15:20 From Lisa Walko : Works very well

11:15:22 From Laurel Moslener : Floriani makes one too. Called embroidery batting that I use

11:17:55 From Lisa Walko : Do they shrink when washed?

11:18:35 From Laurie Albrecht : I love Fuse Me so soft and nice

11:18:39 From Laurel Moslener : Love fuse me.

11:19:19 From Lisa Walko : I was more thinking the Steam a seam

11:22:15 From Laurel Moslener : Thanks JoAnn. That's great

11:23:24 From Laurie Albrecht : Can this be done with Scan n Cut?
11:25:29 From Rebecca Arnold : LOVE Reen's pressing pads.
11:29:41 From June Olberding : why did you not press them before stitching?
11:33:08 From Rebecca Arnold : So pretty!!
11:33:20 From June Olberding : That is a great idea! Variegated thread!
11:33:32 From Vicky Luttrell : Wow, that is so pretty!
11:34:50 From Dawn Mitchell : Stitching is beautiful!
11:34:55 From Rebecca Arnold : Could you put SF101 on the fabric pieces to give them a little more structure?
11:35:04 From Laurel Moslener : Is seam allowance a $\frac{1}{4}$ "
11:38:21 From Laurel Moslener : Camera is a life saver.
11:40:38 From Lisa Walko : The medical paper tape which only adheres lightly works great also.
11:42:03 From Laurie Albrecht : Purple Thang for pushing
11:42:10 From Lisa Walko : Love it!
11:42:13 From Rebecca Arnold : OESD tool.
11:42:14 From javatime3@comcast.net : love it
11:42:23 From Caroline Booth's iPad : I love my RNK point turner tool the best
11:42:26 From Dawn Mitchell : Can you show the one you made with initial?
11:42:31 From Laurel Moslener : Rnk point turner and the OESD point turner
11:42:34 From Vicky Luttrell : RNK point turner
11:42:48 From Barbara Murphy : RNK
11:43:00 From June Olberding : Love all the seams in variegated
11:43:00 From Connie Ischy : I have the RNK turning tool - Actually 3 because I always loose them
11:43:25 From June Olberding : I have an initial in mine!
11:44:08 From Laurel Moslener : What variegated color did you use?
11:44:24 From Lisa Walko : What a great idea. So kind.
11:44:39 From Julie Bogan : I love the RNK turning tool!
11:44:59 From Barbara Murphy : that thread is on sale at DIME
11:45:01 From Connie Ischy : and Dime has them on sale
11:45:54 From Lisa Walko : An entire shelf worth!
11:46:12 From Connie Ischy : would have gone crazy without my stash
11:46:28 From Dara : I like both the OESD and RNK turning tools. They have different sizes of balls at the points and they both have flat sides do they don't roll.
11:46:43 From June Olberding : Beautiful!
11:47:13 From Birdie Cade : Love your colors!
11:53:22 From Vicky Luttrell : The ribbon is a great touch!
11:53:33 From javatime3@comcast.net : just love it so pretty
11:54:01 From June Olberding : Wow! it is really beautiful!
11:54:58 From Caroline Booth's iPad : Beautiful corner!
11:55:32 From June Olberding : I always had trouble doing corners. Thank you so much for the corner tips!
11:56:19 From Lisa Walko : This was a wonderful class! Thank you so

much for helping me join.

11:56:22 From Rebecca Arnold : Not me.

11:56:39 From Connie Ischy : I did when I first started, but not now

11:56:41 From Laurel Moslener : Great class. Thank you ladies.

11:56:45 From Lisa Walko : I like the spray but if there are people with lung issues it can be a real problem,

11:56:52 From Caroline Booth's iPad : I prefer to use a glue stick for those type projects.

11:57:50 From Rebecca Arnold : Another really simple mitered edge:

https://www.youtube.com/watch?v=LRC_olNi_14

11:57:52 From Caroline Booth's iPad : Great projects! Thank you!

11:58:29 From June Olberding : I have my coaster!

11:58:40 From Rebecca Arnold : Great session. Thank you so much.

11:58:47 From Dara : My bestie is here from NH and my son is coming over for breakfast.

11:58:55 From javatime3@comcast.net : great class

11:58:55 From Laurie Albrecht : It

11:58:57 From Connie Ischy : it will all work out. Great seeing you ladies

11:59:25 From javatime3@comcast.net : pretty

11:59:47 From Jaye West : Thank you for both the projects enjoyed them very much

11:59:50 From Laurie Albrecht : s is my first time with the class and I really enjoyed it thankyou

11:59:56 From Stephanie's iPad : Did have trouble with link, but checked for another email and found the new link.

12:00:31 From Lisa Walko : The fact that you both take the time to do this for those who don't live in the area more than makes up for any computer glitches. Thank you.

12:00:45 From Rebecca Arnold : Any tips for cutting pieces on ScanNCut?

12:01:17 From June Olberding : Such a great demo! I really love these club meetings!

12:02:42 From Rebecca Arnold : Great!!

12:03:33 From javatime3@comcast.net : that will be great

12:03:36 From Vicky Luttrell : Thank you!

12:03:36 From javatime3@comcast.net : ty

12:03:40 From Connie Ischy : cannot wait to use some of my scraps

12:03:49 From Laurel Moslener : Fabulous - thanks for the larger size.

12:04:13 From javatime3@comcast.net : I have larger and scan and cut

12:04:25 From Caroline Booth's iPad : Would love to have the larger size!

12:04:46 From Julie Bogan : Thank you both for great information!

12:05:13 From Rose Q : how about a 6by10 hoop too

12:05:14 From javatime3@comcast.net : yes

12:05:15 From Rebecca Arnold : Yes on the chat.

12:05:17 From Connie Ischy : that is a great idea.

12:05:19 From Lisa Walko To Joanne Banko(privately) : Is there a chance to get some advise about learning software?. I have several units of Embrilliance but I was looking at DIME'S because they have

tutoring to learn how to just get started. I don't know just the basics. Getting the design into the software etc.

12:05:27 From Jaye West : yes

12:05:30 From Melinda : yes

12:05:36 From Lisa Walko To Joanne Banko(privately) : Chats are very helpful

12:05:38 From Cheryl Schreiber : Please post chat! Thanks for the class!

12:05:38 From javatime3@comcast.net : can we watch this again

12:05:42 From javatime3@comcast.net : i came in late

12:05:53 From Vicky Luttrell : Yes!

12:06:20 From Lisa Walko To Joanne Banko(privately) : Where do you want us to send you the machine and hoop info?

12:06:20 From javatime3@comcast.net : great tyvm

12:06:26 From Gail : yes on the chats and large hoops

12:07:21 From javatime3@comcast.net : yes on big hoops

12:07:26 From Connie Ischy : take your time. thank you ladies

12:07:26 From Vicky Luttrell : Thank you both so much!

12:07:34 From javatime3@comcast.net : thank you both so much

12:07:35 From June Olberding : Thank you both so much!

12:07:36 From Barbara Murphy : Thank you, great class

12:07:39 From Lisa Walko : Thank you

12:07:46 From Melinda : thank you
